Student Photograph and Video Policy

The school district prohibits students from taking photographs, or making video recordings on school grounds, in a school vehicle, or at a school event that will 1.) Have an adverse effect on school culture, 2.) Cause a misrepresentation of the district; it's staff, students, or parents 3.) Be used with the intent to create a negative effect, bully or cause harm to an individual or school district as a whole. This includes any type of social media. 4.) Contradicts, or does not meet state law. 5.) In no event shall photographs or video recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy. The building administration reserves the right to interpret the validity and purpose of any situation that is provided in this policy. Students who violate this policy may be subject to discipline up to and including expulsion.
