

Disenrollment Packet

Disenrollment from school is a serious decision with significant legal ramifications. Nebraska Statutes § 79-201 to 79-209 cover compulsory attendance at public school, exceptions, and the ways that a parent or a student who has reached 18 years of age may disenroll. The forms in this packet will help parents and students complete the legally required steps.

The disenrollment process is different for students of different ages. Multiple forms are contained in this packet. You only need to complete one of the disenrollment forms. When selecting the correct form for disenrollment, please note that the forms ask about your student's current age AND what age your student will be on January 1 of the current school year.

Depending on the age of your student at disenrollment, an exit interview may be required by state law.

Superintendent Verification of Exit Interview

I _____, am Superintendent of _____ Public Schools. Principal _____ and I attended the exit interview with the parent and child on _____, 20___. The parent and child presented the information that is required by statute. In my opinion, the parent has legal and actual charge of the child and the child's illness makes attendance impossible or impracticable, or the child is experiencing financial hardship which necessitates employment to support the family.
