Students and Parents:

We will again be offering a driver education program this spring/summer. The 2019 program will consist of classroom time that will be conducted on:

- ★Monday, June 3 (9:00 am – 1:30 pm)
- ★Tuesday, June 4 (9:00 am – 1:30 pm)
- ★Wednesday, June 5 (9:00 am – 1:30 pm)
- ★Thursday, June 6 (9:00 am – 1:30 pm)
- ★Friday, June 7 (9:00 am – 11:00 am)

Classroom dates will meet in room 224 (high school computer lab #2) and **these dates cannot be missed**. *I must stress the last statement that these classes cannot be missed.* Students are required to have 20 hours of classroom instruction, a minimum of 5 hours of instruction behind the wheel and a final drive test. We cannot waiver from this state mandate, so please do not plan vacations or outings during these dates and times if you are going to register.

After class begins, drive times will be scheduled individually with the instructor, but in order to participate in these driving lessons, students **must** have a valid permit. If you have vacation planned during the driving lessons, be sure to mention that at the start of class so we can schedule around your family plans. Drive times are more flexible as compared to classroom dates and times.

The cost of this supplemental program is \$260 per student and payment must be received at the time of registration. Please submit the registration form and payment to our administrative assistant, Mrs. Beverly Becker. The deadline for registration is March 1, 2019. Please make checks payable to Louisville Public Schools.

The class is open to students who are fifteen years of age or older, who must have obtained a learner's permit, or those students who are 14 years of age, who have obtained a school permit. **There are a limited number of spaces available, which will be filled on a first come, first serve basis, with registration form and full payment received.** Once registration is complete, you will receive a letter of confirmation that you have been enrolled in the class.

Sincerely,

Wally Johnson  
Drivers Education Instructor
