With the large majority of Covid - 19 cases in the elementary school. LPS has made the decision to require the masking of all PK-5 students until Friday 11/19/21. If Covid - 19 cases continue to increase following the Thanksgiving Holiday, LPS will continue to mask all impacted grades as the situation dictates. Please assist the district in reducing Covid - 19 exposure by following all guidelines provided by the local health department. If your student is showing symptoms, please keep them home and away from all school and youth activities.
