Students and Parents:

We will again be offering a driver education program this spring/summer. The 2022 program will consist of classroom time that will be conducted on:

- ★Tuesday, May 31 (9:00 am – 2:00 pm)
- ★Wednesday, June 1 (9:00 am – 2:00 pm)
- ★Thursday, June 2 (9:00 am – 2:00 pm)
- ★Friday, June 3 (9:00am - 2:00 pm)

The class is open to students who are 18 years or younger with valid Learner's or School Permit. There are two different permits for teens between the ages of 14-17, Learner's Permit and School Learner's Permit. If you are not sure what permit you need go to <https://lpsdrivered.weebly.com/>. Once registration is complete, you will receive a letter of confirmation that you have been enrolled in the class.

Students are required to have 20 hours of classroom instruction and a minimum of 5 hours of instruction behind the wheel and a final drive test. We cannot waiver from this state mandate, so please do not register if students cannot attend the entire 20 hours of classroom. There should be no doctor appointments, sports camps, travel, etc that will conflict with the classroom dates.

After class begins, drive times will be scheduled individually with the instructor, usually in small groups. In order to participate in these driving lessons, students **must** have a valid permit. Drive times are more flexible as compared to classroom dates and times.

The cost of this supplemental program is \$300 per student and payment must be received at the time of registration. Submit the registration form online (link below) and payment to our administrative assistant, Mrs. Beverly Becker. Please make checks payable to Louisville Public Schools. **There are a limited number of spaces available, which will be filled on a first come, first serve basis, with a completed registration and full payment received.**

Sincerely,

Wally Johnson  
Driver Education Instructor
